

We are currently thinking about how we can develop our school next year. We would be very grateful if you could fill in the form below with any comments. If you have any issues that need addressing immediately please don't hesitate to contact me.

Mrs Good

Strengths	Weaknesses
<i>What advantages does our school have? What are our strengths? What do others see as our strengths?</i>	<i>What could we improve? What are our weaknesses? Where are our children not achieving well?</i>
What do we do well? How do you know?	What could we do less of? Why?
What could we do more of?	What should we start doing?

Please return completed forms to the School Office.
