

# Foundation Stage Weekly Learning Letter

Ongar Place Primary School, Addlestone, Surrey 01932 842785

Issue Number 10  
18<sup>th</sup> November 2016

## Continuing the Learning Journey!!

There has been a lot of excitement in Chestnut Class and in Key Stage 1 this week. The children have been rehearsing Christmas songs ready for the Nativity performance. More details about this have been sent out on a separate letter.

## This week's learning focus:

- This week the children listened to the story 'Aliens Love Underpants' - they then drew a picture of an alien and wrote a description of it during literacy.
- The children have been creating their own alien using clay and other materials from the creation station with our parent helpers.
- We have new wooden blocks in our outside area and the children have been busy working together and developing their motor skills whilst building and constructing.
- We also have a new listening area where the children can listen to music or stories on their very own CD player.

## Focus on Learning

*We will be setting up another new role play area very soon. If you have any old Christmas decorations that you no longer need then we would really appreciate having them.*

We have been learning the tricky red words 'the' and 'I' this week. Encourage your child to notice/read this in their reading book.

## Special Star Learners

**William – for his brilliant writing and concentration during Read, Write, Inc this week!**

**Jennafer – for her wonderful clay alien!**

## Information for Families

The PTFA Christmas Market was a huge success. I saw many parents from Chestnut Class there helping to raise money for the school. I would like to say a huge **THANK YOU!** to the PTFA members for organising the event.

Many thanks,  
The Chestnut Team
