

Foundation Stage Weekly Learning Letter

Ongar Place Primary School, Addlestone, Surrey O1932 842785

Issue Number 11
23rd November 2018

Continuing the Learning Journey!!

The children are constantly building and constructing in the 'Creation Station'. This area is brilliant for developing fine motor control, developing ideas and working collaboratively. Unfortunately we are running out of boxes, cartons etc to build with! If you could donate some we would very much appreciate it (no toilet rolls). Thank you.

The Christmas performance is on Thursday 6th and Friday 7th December. Please remember to order tickets as soon as possible using the form that was sent out earlier this week.

This week's learning focus:

- We have been reading regular and irregular words during Read, Write, Inc.
- The children have been practising their counting skills and developing their number recognition during dance and maths sessions.

Focus on Learning

If you have any old Christmas decorations or wrapping paper that you no longer need then we would really appreciate having them for our role play area.

Thank You!

Special Stars

Barney – for correctly completing many maths challenges this week – well done!

Ronnie – for his wonderful reading at home and at school!

Information for Families

Don't forget Christmas performance costumes need to be in by today. If you have any problems please let us know as we have a few costumes in our dressing up box.

Many thanks,
The Chestnut Team
