Issue Number 32
28th June 2019

Continuing the Learning Journey!!

I can't quite believe we are nearing the end of the year and our lovely Chestnut Class will be moving on to Year 1 soon! In preparation the children will be meeting their new teacher next Monday and will spend three mornings with her in the Year 1 classroom.

In order to make the transition as smooth as possible we will be preparing the children by having specific lessons/discussions/activities throughout these last few weeks. Parents are also invited to a 'transition meeting' with myself and the Year 1 teacher on Monday 1st July at 2.30pm.

This week's learning highlights:

- In PE we have practised throwing techniques using beanbags and targets.
- In art the children have been looking carefully at shells and sketching them using pastel shade chalks.
- In literacy we have been discussing holidays and trips. The children then labelled items they would take on holiday.
- We owe 'Thank You' to Evangeline's mummy for telling us all about her job as a post person.

Focus on Learning

Please bring in photographs of previous holidays and trips to discuss during show and tell.

Thank you.

Special Stars

Simona – for her fantastic swimming!

Fletcher – for making so many wonderful models, posters and labels!

Information for Families

Don't forget the Summer Fair is on Saturday 6th July.

Many thanks,
The Chestnut Team
