

Foundation Stage Weekly Learning Letter

Ongar Place Primary School, Addlestone, Surrey 01932 842785

Issue Number 21
1st March 2019

Continuing the Learning Journey!!

I hope you had a wonderful and restful half term break; the children have come back to school energized and eager to continue their learning which is fantastic!

This week we had a magic dragon egg to look after. Unfortunately the baby dragon hatched Wednesday evening and the children have been searching for it everywhere since ☺

World Book Day is next Friday. The children can dress up as their favourite book characters and if you have any spare time to read with some children on that day (9 - 9.30am) please let me know.

This week's learning focus:

- The children have been adding and subtracting during maths.
- We have been searching for clues and writing labels and posters in search of our missing dragon.

Focus on Learning

This half term our topic is 'Growing and Life Cycles'

Please try to link this to Show and Tell if possible.

Friday 15th March is Comic Relief Red Nose Day. Children are allowed to wear red for a £1 donation and there will be a joke competition in class. The school council will be telling jokes outside for a donation too.

Special Stars

Benjamin – for his wonderful learning conversations during our search for the missing dragon!

Sienna-Rose – for her fantastic counting and adding this week!

Information for Families

Thank you for coming to see me during parents evening this week. If you have any further questions or queries please make an appointment to see me via the office.

Many thanks,
The Chestnut Team
