

Foundation Stage Weekly Learning Letter

Ongar Place Primary School, Addlestone, Surrey 01932 842785

Issue Number 8
2nd November 2018

Beginning the Learning Journey!!

Chestnut Class have had a busy first week back at school. The children were so excited to tell us about their half term break and some of the adventures they got up to!

The weather is very unpredictable at the moment. The children really need to bring in a coat every day, please ensure they are labelled clearly. Thank you.

This week's learning focus:

- We have been talking about bonfire night and in maths we created firework pictures using 2D shapes!
- We have been making Christmas cards to raise money for the PTFA. These will be sent home for you to view and make an order if you wish.
- Mrs Mount has turned the role play area into a 'Space Station'. The children have lots of opportunities for counting, reading and writing as they pretend to explore space and planets!

Focus on Learning

Please don't forget to share reading books with your children. It is really important to read with your children at home. It helps to build their confidence and enhances their reading and writing skills.

Thank you for your support, if you have any questions please ask.

Special Stars

Tilly - Mae – for her wonderful storytelling

James – for his brilliant role playing in the new space station!

Information for Families

Don't forget to return the PTFA Christmas card orders as soon as possible.

Many thanks,
The Chestnut Team
