

Foundation Stage Weekly Learning Letter

Ongar Place Primary School, Addlestone, Surrey O1932 842785

Issue Number 11
2nd December 2016

Continuing the Learning Journey!!

We have been busy this week rehearsing songs with Key Stage 1 for our Nativity performance. There's a real buzz in the air as the children get more and more excited at the prospect of Christmas!

The children received a special parcel this week - a fairy! Her name is Maddie and she is one of Santa's friends (although she can be a bit naughty at times, she left all the lids off the pens!). The children have written a list of gifts they would like for Christmas and Maddie will take them back to Santa soon.

This week's learning focus:

- The children have used the Numicon maths resource to help them solve addition problems.
- In Read, Write, Inc we have been reading 'tricky words' **I** and **the**. It's important that the children understand that 'tricky words' cannot be sounded out, they just have to know them by sight!
- We are transforming the role play area and the children cannot wait to play in Santa's workshop and Christmassy home!

Focus on Learning

*Please bring in clothes for the Nativity performance by **Monday** as we have a dress rehearsal on Wednesday. If you are having any problems please let us know.*

Thank you!

Special Star Learners

Mia – for solving addition problems quickly and correctly!

Sienna – for her fantastic independent writing when writing a list!

Information for Families

Don't forget the PTFA Christmas disco is on Friday 16th December. See posters or the school office for further details.

Many thanks,
The Chestnut Team
