Ongar Place Primary School, Addlestone, Surrey O1932 842785

Issue Number 6
5th October 2018

Continuing the Learning Journey!!

European Day of Languages

European Day of Languages:

- The children loved riding their bikes and scooters around and pretending they were racing in the Tour de France!
- We tasted French cheese and had croissants with jam.
- The built the Eiffel Tower using Lego and Mobilo.
They made French flags and listened to the French national anthem.

Focus on Learning

*Next week the children will bring home a reading book. Most books do not have words in. The main aim is to talk about what is happening in the pictures and predict what might happen next. The children will get dedicated time to read with an adult but are also learning to read during our phonics sessions (3 times a week). If you would like to help in class by reading with the children and have a DBS check please let me know.
Many thanks ☺.*

Special Star Learners

Lucia May – for being a kind and caring friend!

Edward – for his enthusiastic attitude to learning!

Information for Families

We have a number of children mislaying their jumpers/cardigans/swimming kits. Unfortunately if they are not labelled then it makes it almost impossible to get them back. Please help us and your child by labelling all items.

PE kits will be sent home to wash at the end of half term.

Also, if you find anything that doesn't belong to your child please return it to the rightful owner.

Many thanks,
The Chestnut Team
