Issue Number 34
July 7th 2017

Continuing the Learning Journey!!

Chestnut Class have had three transition mornings this week in the Year 1 classroom with their new teacher Mrs Marwick.

We have been talking a lot about moving into Year 1 and what to expect. If you or your children have any questions then feel free to ask them at the transition meeting on Thursday 13th July at 2.45pm. Or catch me in the morning!

This week's learning focus:

- The children have had great fun playing memory games with Mrs Brown.
- The children played sports and music outside for their PE session - please remember to return PE kits for next week.
- Chestnut Class have been building and constructing dens and ships!

Focus on Learning

We are learning about the local area and discussing trips and holidays with the children. If you have any photographs to help create a class display please send them in, the children can also use these for 'Show and Tell'.

Special Star Learners

William – for always being so kind and helpful in class!

Mia – for her lovely creative work this week!

Information for Families

Please don't forget... hats (labelled) and water bottles need to be in school every day. We have a filtered cold water tap in the class to refill drinks!

Many thanks,
The Chestnut Team
