

Foundation Stage Weekly Learning Letter

Ongar Place Primary School, Addlestone, Surrey 01932 842785

Issue Number 29
8th June 2018

Continuing the Learning Journey!!

This week the children have been really busy practising for the assembly. I was so impressed on Monday when all of the children knew their lines! The assembly is next Wednesday at 9.15am and I really hope you'll be able to come and watch it.

This week's learning highlights:

- Our new Value is Friendship and we will be creating a display in class.
- We have been writing in full sentences using many 'tricky' words in Read, Write, Inc.
- We have programed the Bee-bots to reach certain points on a map.

Focus on Learning

So far no sign of the ducklings hatching ☹️ but we are keeping our fingers crossed one will hatch soon.

Next week we shall be making Father's Day cards. Please let me know if there is a different special person you would like these addressed to.

Special Star Learners

Mirabelle – For her excellent reading and comprehension!

Jack – for solving lots of maths problems this week!

Information for Families

Our class photograph will be taken on Thursday 14th June.

Don't forget PTFA Bingo and Curry night on the 15th June.

Many thanks,
The Chestnut Team
