

Foundation Stage Weekly Learning Letter

Ongar Place Primary School, Addlestone, Surrey O1932 842785

Issue Number 19
9th February 2018

Continuing the Learning Journey!!

I can't quite believe that it is almost half term! After the break there are a few dates to note...

- Parents Evenings are on Tuesday 20th and Thursday 22nd February - please sign up if you haven't already.
- World Book Day is on Thursday 1st March. The theme is 'Bedtime Stories' and the children will be allowed to wear their pyjamas to school! Parents are invited to come into class between 9.10am and 9.40am to read with a group of children. Please let me know if you intend to come in and don't forget to bring a suitable story book with you. The children can bring in their favourite books that day too (please label them). A display will be created of your child's favourite place to read, a letter will be sent home for you to complete and attach a photograph to. There is also a reading challenge to complete at home as well as lots more activities to be enjoyed in school.
- We are looking for helpers for our trip to Gatton Park on Wednesday March 14th. Please let me know if you have a DBS check and are willing to help that day - thank you in advance!
- Mrs Pirie has organised some wonderful story workshops based around 'The Gruffalo' book. Spaces are limited to 10 only so please return forms ASAP if you're interested!

This week's learning journey...

- The children listened to the story 'The Rainbow Fish' and wrote a sentence about their favourite part.
- We counted rainbow fish scales and added two digits during maths.

Focus on Learning

Next term our topic is 'Growing and Life - Cycles'

Reading

The children's reading ability is progressing well. We have been blending sounds and reading those 'tricky' words all week. Keep up the good work at home!

Special Star Learners

Sam – for articulately sharing ideas when building and constructing boats and other models!

Harry – for being so enthusiastic and eager during Read, Write, Inc!

Information for Families

Large animal and pompom keyrings are causing a bit of a problem in class; some children have so many attached to their book bag that the bags are getting stuck in their trays. Just one small key ring is sufficient.

Have a lovely half term break!

Many thanks, The Chestnut Team
