

Foundation Stage Weekly Learning Letter

Ongar Place Primary School, Addlestone, Surrey 01932 842785

Issue Number 21
9th March 2018

Continuing the Learning Journey!!

We have had another busy week in Chestnut Class. We now have a class pet, a pink canary called Stormzy. He was found almost frozen to death during the winter storms last week and we were unable to trace his owner. He wasn't very popular in my house as I have two dogs and a cat so he is on a trial period in class. He is very popular (and tuneful!) and the children have been independently writing him lots of lovely messages.

If Stormzy is to stay I will need him to go home for the school holidays. If you have no cats or dogs and would be willing to look after him during those periods please let me know.

This week's learning focus:

- We have been ordering and subtracting magic beans.
- The children have been busy creating special cards for this Sunday ☺
- The new Jack and the Beanstalk role play area is a big hit. There are lots of reading, writing and problem solving activities in there, as well as the opportunity to dress up and act out their own stories.

Focus on Learning

Next week as well as our trip to Gatton Park we shall be learning about life cycles.

In maths we will be using money to buy fruit from our pretend shop.

Special Star Learners

Poppy – for her amazing independent writing!

Alfie – for his fantastic magic bean subtraction!

Information for Families

Our trip is next Wednesday. Don't forget all children need to bring a teddy (or any soft toy), be in their school uniform and wearing comfortable footwear. Drinks and lunch will be provided and they will not need their book bags that day.

Many thanks,
The Chestnut Team
