Issue Number 23
10th March 2017

Continuing the Learning Journey!!

THANK YOU for coming to our maths activity afternoon on Wednesday. It was great to see so many of you; I hope you enjoyed it as much as the children did!

Here are some of the highlights...

Focus on Learning

Next week we will be continuing our learning theme of life cycles and growing by looking at different lifecycles and the children will be creating their own life cycle wheels. If possible please link this theme to 'Show and Tell'.

Special Star Learners

Theo – for using the mic to sing so beautifully to friends!

Amelia – for her amazing maths learning this week!

Information for Families

Our Multi Skills afternoon is next Wednesday. A letter has already been sent out outlining what colour T shirt your child is to wear. It would be a good idea to check your child's trainers or plimsolls to make sure they still fit as they all seem to of had a growth spurt!

Many thanks,
The Chestnut Team
