

Foundation Stage Weekly Learning Letter

Ongar Place Primary School, Addlestone, Surrey 01932 842785

Issue Number 9
11th November 2017

Continuing the Learning Journey!!

Lots of parents came and joined in the fun during our Literacy and Maths afternoon on Wednesday, thank you if attended. This half term our topic is 'Festivals and Celebrations' and our new value this half term is 'Trust'. Where possible please link these themes to 'show and tell'.

The children have made Christmas cards this week. They will be sent home for you to view and if you decide you like them, then for a small fee the PTFA will turn them into Christmas cards.

Please ensure the yellow reading records are in your child's book bag every day. This is so we can comment on class reading and monitor how their reading is developing at home too.

This week's learning focus:

- This week we have been using the Numicon resource. The children have used it to count, order and add with.
- The children have been sound blending words all week this week during Read, Write, Inc. These sessions are called 'word time' and we aim to do these every other week.
- After listening to the story 'Whatever Next' the children wrote a list of things they would take to the moon and used props to act out the story.

Focus on Learning

Mrs Mount's cooking group will start again next week. All children will get a chance to participate but we like to cook with just six children per week to give them a more hands on experience. On the menu this term is 'Gingerbread Men'.

Special Star Learners

Chloe – for her enthusiasm and effort during our Read, Write, Inc sessions!

Sam – for his fantastic imaginative play in the Space Station!

Information for Families

Please don't forget to send in your PTFA Christmas card orders by Thursday 16th!

Many thanks,
The Chestnut Team
