

Foundation Stage Weekly Learning Letter

Ongar Place Primary School, Addlestone, Surrey 01932 842785

Issue Number 15
12th January 2018

Continuing the Learning Journey!!

I hope you all had a wonderful Christmas and Mrs Mount and I would like to **thank you** all again for the generous gifts we received at the end of last term, they were very much appreciated.

The children have returned to school full of energy and enthusiasm ready for this terms learning. Our topic is now 'animals' and Mrs Mount has already waved her magic wand and has created a vets role play area. The children may bring in a soft animal toy to play with in the vets, nothing too precious as it needs to stay in school for a few weeks.

This week's learning focus:

- The children listened to the story 'Dear Zoo' and wrote their own animal request to the zoo!
- In maths we have been ordering animals according to size.
- Communication and language is being developed in our new role play area.
- We read the story Handa's Surprise and the children had great fun acting out the different characters. We made a yummy fruit salad, wrote a fruit list and solved addition problems using fruit too!

Focus on Learning

Next week we will be having two science days (Thursday and Friday). We have many wonderful activities planned as well as a science workshop.

This half term our Ongar Value is
Respect.

Special Star Learners

David – for writing so many words independently this week!

Mia – for her wonderful maths learning!

Information for Families

A note for your diary:

Chestnut's Class school trip to Gatton Park is on 14th March and our assembly is on June 13th.

Many thanks,
The Chestnut Team
