

Foundation Stage Weekly Learning Letter

Ongar Place Primary School, Addlestone, Surrey O1932 842785

Issue Number 16
13th January 2017

Continuing the Learning Journey!!

We have had such a busy week in Chestnut Class this week. The children are really enjoying our new animal topic. We have looked at different types of animal skin, made animal models and role played animal stories.

A group of children joined helpers from Sayers Court Children's Centre and Mrs Mount for story-telling, role playing and arts and crafts activities. This will continue for three more weeks. A spring timetable of further activities at their centre and a registration form will be sent home to those children participating.

This week's learning focus:

- This week the children have been learning about our new Ongar Value 'appreciation', we have made a classroom display about how to show appreciation and who we appreciate and why.
- In maths we have been teaching the children how to add two groups of objects. They have been answering animal addition problems too!
- The children listened to the story 'Handa's Surprise'. They later acted out the story with friends and wrote what surprise fruit they would like to receive from Handa.

Focus on Learning

Next week we will be using the iPads to solve maths problems.

As animals is our topic please relate this to 'Show and Tell' on Friday - no toys please.

Special Star Learners

Sienna – for her amazing writing this week!

Sophie – for talking so articulately during the Talk Boost activities!

Information for Families

The PTFA quiz night is next Friday. Please see our PTFA class reps or posters for further details.

Many thanks,
The Chestnut Team
