Issue Number 6
13th October 2017

Beginning the Learning Journey!!

Healthy Living and Sports Week 1

This week's learning focus:

- The children have been watching skipping demonstrations and skipping themselves, Lily even managed to do a double skip in front of the whole school with the instructor!
- During Read Write Inc we have had our first session of 'Word Time' where the children consolidate their learning and read and write some new words using the new sounds we have learnt so far.
- The children have been looking at their faces in the mirror and carefully painting a self-portrait. You will be able to see the wonderful pictures during your parents evening appointments.

Focus on Learning

*Next week the children will bring home a reading book. Some books do not have words. The main aim is to talk about what is happening in the pictures and predict what might happen next. The children will get dedicated time to read with an adult but are also learning to read during our phonics sessions (3 times a week). If you would like to help listen to the children read and have a DBS check please let me know as it really helps us in class.
Many thanks ☺.*

Special Star Learners

Elexa – Rose – for having many interesting learning conversations this week!

Jack – for his enthusiastic attitude to learning!

Information for Families

Don't forget to sign up for parents evening which is on Tuesday and Thursday next week. There are just a few available slots remaining!

Many thanks,
The Chestnut Team
