Issue Number 30
14th June 2019

Continuing the Learning Journey!!

I think you will agree that the assembly was fantastic! The children spoke in such a big voice and sang their songs with enthusiasm throughout. Mrs Mount and I are very proud of the confident children they have become 😊

Just a few assembly highlights:

Focus on Learning

Next week is 'Careers and Aspirations' week. The children will get a chance to role-play different career paths and listen to people talk about their job roles.

Special Star Learners

For being so fantastic during our assembly ALL of Chestnut Class are this week's Special Star Learners.

Information for Families

Many jumpers and cardigans are disappearing! Please check the labels to make sure your child has the correct one.

Many thanks,
The Chestnut Team
