

Foundation Stage Weekly Learning Letter

Ongar Place Primary School, Addlestone, Surrey 01932 842785

Issue Number 24
17th March 2017

Continuing the Learning Journey!!

As well as learning about the life cycles of butterflies, frogs and chickens this week the children had a magnificent time during the 'Multi - Skills' afternoon. They worked together in their teams and competed in a variety of sporting activities including football, cricket and running. Year 6 were on hand to support and guide the children and the sun shone too which was an added bonus!

Here are some of the many highlights...

Focus on Learning

Next week we will be consolidating our maths learning by having a complete maths learning week. Please link show and tell next Friday to this theme.

Special Star Learners

Sofia – for talking so articulately about different life-cycles!

Bunty – for demonstrating her amazing ball skills during the multi – skills afternoon!

Information for Families

Don't forget to return your child's PE kit ready for next week's PE session on Wednesday!

Many thanks,
The Chestnut Team
