Issue Number 16
19th January 2018

Continuing the Learning Journey!!

We have had such a busy time in Chestnut Class this week. The children have embraced the different science activities and thoroughly enjoyed the science workshop on Thursday!

Focus on Learning

Next week we will be making healthy sandwiches and writing instructions. Thank you for your cooking money contributions ☺

As animals is our topic please relate this to 'Show and Tell' on Friday - no toys please.

Special Star Learners

Isla – for creating an amazing butterfly camouflage!

Masie - Rose – for always persevering when solving problems!

Information for Families

Reading is so important. We read with the children throughout the day and specifically during Read Write Inc. Please help your child's ability to progress further by reading with them as often as possible and commenting in the yellow reading record.

Many thanks,
The Chestnut Team
