

Foundation Stage Weekly Learning Letter

Ongar Place Primary School, Addlestone, Surrey 01932 842785

Issue Number 31
21st June 2019

Continuing the Learning Journey!

The children have been busy living the life of their future selves during 'careers week'. We set up a variety of role play activities for the children to become a vet, teacher, artist, beauty therapist, fire fighter, builder, archaeologist and barista.

Just a few careers week highlights:

Focus on Learning Sports Day.

On Tuesday 9th July it's our 'Sports Day'. The gate will open at 1.45pm for parents to come on to the field to watch. The races will begin at around 2pm; children will be free to go home once the sporting events have concluded (pick up via classroom as usual).

Special Star Learners

Levi – For his fantastic creative learning this week!

Jamimah – For independently completing maths and literacy games on the iPad

Information for Families

Ongar Fabulous at 50 Summer Fair is on Saturday 6th July. See posters around school for further details.

Many thanks,
The Chestnut Team
