

# Foundation Stage Weekly Learning Letter

Ongar Place Primary School, Addlestone, Surrey O1932 842785

Issue Number 7  
21<sup>st</sup> October 2016

## Beginning the Learning Journey!!

After the half term break the children will be creating Christmas pictures. They will be sent home for you to view and if you decide you like them, then for a small fee the PTFA will turn them into Christmas cards.

We are making a tactile autumn display in the class and are in need of conkers, cones and acorns. If you see any on your travels please bring them in.

### This week's learning focus:

- We have been talking about how many family members we have and finding the correct numeral to match that amount.
- The children were sent home their first reading books and we have shared books in class - some children have surprised themselves by blending sounds together to read!
- I read the story 'Funny Bones' to the children. They wrote about their favourite part and used chalk to sketch skeleton pictures.

## Focus on Learning

*The children are asked to hand in their reading books and reading records each day if they are ready to change them. Every Friday I will collect all the reading books and send a new one home for the weekend. Please remind your child to change their books, hand in letters and green handwriting books as it helps them become more independent and helps us too.*  
*Thank you!*

## Special Star Learners

**Jesse – for his beautiful handwriting this week!**

**Arthur – for his wonderful independent reading!**

## Information for Families

Next week is the half term break and on Monday 31<sup>st</sup> October the school is closed for staff inset training. We will return to school on Tuesday 1<sup>st</sup> November fully refreshed!

Many thanks for your support,  
The Chestnut Team
