

# Foundation Stage Weekly Learning Letter

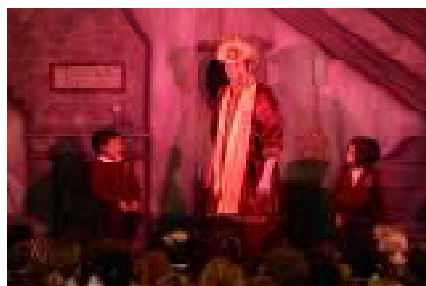

Ongar Place Primary School, Addlestone, Surrey 01932 842785

Issue Number 25  
24<sup>th</sup> March 2017

## Continuing the Learning Journey!!

This week we have been making cards for a certain SPECIAL day on Sunday. We were lucky enough to have a visit from a theatre group who performed the 'Little Princes' to the whole school on Wednesday. The children thoroughly enjoyed it!

This week's learning highlights:

- The children have been learning about symmetry and creating butterflies to decorate our classroom.
- Chestnuts have been doubling and halving numbers during our maths sessions.
- We have been on a 3D shape hunt in and around the school.

## Focus on Learning

This week I am sending home some 'WOW' cards for parents/carers to fill in. Please write on it something wonderful that your child can do now, since starting school and we will read these during 'Show and Tell'.

## Special Star Learners

**Ella. K – For her fantastic independent reading this week!**

**Trace – For his wonderful enthusiasm to write!**

## Information for Families

Please see the PTFA letter going out with headlines today about the Easter egg hunt that is happening next week!

Many thanks,  
The Chestnut Team
