

Foundation Stage Weekly Learning Letter

Ongar Place Primary School, Addlestone, Surrey O1932 842785

Issue Number 17
25th January 2019

Continuing the Learning Journey!!

This week we have been sequencing the story of 'The Gingerbread Man'. The children then created puppets, sketched the main events and made their own story boards to retell the story.

This week's learning focus:

- The children independently made delicious 'healthy' sandwiches. They chose from a range of fillings and ate them once they were made.

- In maths we have been adding one more to a total.
- In literacy the children wrote down instructions so they can make sandwiches at home too!
- During art we have looked at the patterns on animal's fur and skin. The children then created animal patterned feely-boards, patterned snakes using play dough and beads painted animals.

Focus on Learning

We are encouraging the children to have a resilient attitude towards independent learning. Our environment is positive and full of opportunities to succeed and we would like your support in encouraging this at home too. This will hopefully have an impact on the children's perseverance when tackling challenges.

Remember 'good learners never give up!'

Special Stars

Lucia-May – for her amazing learning conversations about animals!

Alfie – for persevering to solve addition and subtraction problems!

Information for Families

Many thanks for contributing £2 towards our cooking, it really is appreciated. We put the money towards buying ingredients for food and nutrition activities and to purchase perishable items for malleable play.

Many thanks,
The Chestnut Team
