

Foundation Stage Weekly Learning Letter

Ongar Place Primary School, Addlestone, Surrey O1932 842785

Issue Number 11
25th November 2016

Continuing the Learning Journey!!

The children are constantly building and constructing in the 'Creation Station'. This area is brilliant for developing fine motor control, develop ideas and work collaboratively. Unfortunately we are running out of boxes, cartons etc to build with. If you could donate some we would very much appreciate it (no toilet rolls). Thank you.

Please return nativity costumes to Chestnut Class no later than Monday 5th December please. Any problems please let me know.

This week's learning focus:

- The children have been talking about their experiences of weddings and christenings and other celebrations.
- We have been adding numbers and objects together during maths and playing lots of number recognition games.
- The children have been hunting for numbers around the school with Mrs Brown and playing counting activities with Mrs Mount.

Focus on Learning

The Christmas role - play area will be built on Thursday. If you have any old Christmas decorations or wrapping paper that you no longer need then we would really appreciate having them.

Special Star Learners

Harry – for correctly completing many maths challenges this week– well done!

Amelia– for her wonderful writing and reading during Read, Write, Inc!

Information for Families

Don't forget the PTFA children's Christmas disco is on Friday 16th December. More details to follow!

Many thanks,
The Chestnut Team
