

# Foundation Stage Weekly Learning Letter

Ongar Place Primary School, Addlestone, Surrey 01932 842785

Issue Number 4

28<sup>th</sup> September 2018

## Beginning the Learning Journey!!

We have had such a busy week! European Day of Languages is today so I will add photographs onto next week's Learning Letter.

This week's learning focus:

- We have been talking about features on our face and body.
- The children looked closely at their face and sketched, then painted a self-portrait.

- The iPads are proving very popular and the children have used them to problem solve and count this week.
- The children took part in a drama workshop during PE and thoroughly enjoyed pretending they were in a circus!

## Focus on Learning

*Next week we will introduce our phonics scheme 'Read Write Inc'. A letter explaining this will be sent home along with a handwriting sheet for your child to complete. Please return the handwriting sheets to school and I will stamp them and send them back home for you to keep. Remember Show and Tell is on a Friday.*

## Special Stars

**Simona – for being a kind and considerate learner!**

**Alfie – for demonstrating how to care for our learning environment!**

## Information for Families

The children had their photograph taken for the Surrey Advertiser 'First Day at School' supplement. Keep an eye out for the supplement which should be available in October.

**A message from the office:** As school dinners are freshly cooked each day the school needs advance notice if your child wishes to change between packed lunch and school lunch. This cannot be decided daily.

Many thanks!
