

Foundation Stage Weekly Learning Letter

Ongar Place Primary School, Addlestone, Surrey 01932 842785

Issue Number 4
29th September 2017

Beginning the Learning Journey!!

We have had such a busy week! Below are some of the highlights from the Harvest Festival and European Day of Languages.

This week's learning focus:

- We have been playing 'Guess who?' with the baby photos you have sent in and have created an interactive display in the classroom.
- Read, Write, Inc began this week and the children have been practising writing letters in rice, on the floor and in the air!
- The class listened to the story 'Goldilocks and the Three Bears' and have been learning about size and position during Maths.
- The children made their families using play dough!

Focus on Learning

Don't forget to encourage your child to practise writing the Read, Write, Inc letters on the handwriting sheets.

Remember Show and Tell is on a Friday.

Special Star Learners

Mirabelle – for being a kind and considerate learner!

Harpal – for consistently demonstrating how to care for our learning environment!

Information for Families

On Monday the children need to look even more gorgeous in their usual school uniform as a photographer is coming to take their photograph for a local newspaper. The children will bring home their PE kits on Monday. On Tuesday they can wear their kits every day for the next two weeks as we will be taking part in lots of activities linked with Healthy Living and Sports.

Many thanks,
The Chestnut Team
