Issue Number 33
June 30th 2017

Continuing the Learning Journey!!

Chestnut Class have had a very busy week this week. We have had a student in our class (Lucy) who has been helping us and she is very impressed with the children's attitude to learning and friendliness!

We are slowly preparing the children for their transition into Year 1. Next week the children will be going into the Year 1 classroom with their new teacher. They will spend three mornings there, getting to know their teacher.

This week's learning focus:

- The children have been writing about what they would take on holiday.
- We discussed sun safety and how to keep cool in the hot weather.
- Chestnut class looked closely at shells under a microscope and sketched them - they are amazing!

Focus on Learning

We are learning about the local area and discussing trips and holidays with the children. If you have any photographs to help create a class display please send them in, the children can also use these for 'Show and Tell'.

Special Star Learners

Emily – for her amazing memory during our memory games!

Tommy – for his wonderful learning conversations this week!

Information for Families

Tomorrow is the Ongar Place Summer Fair, 12 - 3pm. Please see PTFA noticeboards and posters for more information. I hope to see you there!

Many thanks,
The Chestnut Team
