## Continuing the Learning Journey!!

This week we have been learning about why and how Christians celebrate Easter. The children have been busy creating Easter cards, Easter baskets and making delicious Easter cakes!

Next term our Ongar value will be 'Patience'.

This week's learning highlights:

- The children thoroughly enjoyed watching the Year 3 and 4 production of Dick Whittington.
- Finally our runner beans are growing, the children have been measuring them and the group with the tallest beanstalk will win a chocolatey prize!
- For the past few weeks I have given the children a chance to design and create their own role play area. We have had a Trolls area, a park and a den. This week the children turned the role play area into a butterfly house that doubled up as a classroom.

## Focus on Learning

Thank you for sending in the 'WOW' cards. The children have loved hearing all of the wonderful things you have said about them.

Next term our learning topic is 'Goodies and Baddies'
