

### Governor Monitoring Form

Governor Name: Monique Grace
Date of Visit: 12 <sup>th</sup> December 2018
Purpose of Monitoring: Attending KS2 Carol Concert at St Paul's Church, Addlestone
Format of Monitoring: Watching concert
Report of Observations or Discussions: A well-organised, fully involved display of well-behaved and talented young people. Every child looked like they knew the words and actions (even though the words were on the projector screens for the pupils and congregation), and that they were enjoying it. A friendly and welcoming atmosphere, with all teachers and admin guiding people in and helping out. Parents welcomed by name. Soloists knew their cue and a wide range of students and their varying skills were put on show. A joyous evening that really welcomed in the Christmas festivities. The children knew their roles at the end, yet a number of parents were unsure of where to collect them, causing a bit of confusion. Mince pies and festive drinks were on offer whilst the families were reunited with their children. Overall, a well-organised and joyous event for both families and pupils.
Links to Success Criteria in School Development or Other Positive Comments: <b>DA 4 Raising the profile of governors within the school.</b> Partaking in school activities. <b>DA 5 Empowering parents to encourage and support children.</b> All KS2 children took part in (unless unforeseen circumstances) this event. All parents and families were encouraged to come and partake, observe and support the children. Which they did! <b>DA 6 Developing links with outside agencies to support parents and children.</b> A clear strong link has been forged with St Paul's Church. A church leader introduced and rounded up the proceedings, showing high regard for the staff and children from Ongar Place. The church has been utilised by the school over many years and they are obviously ready to continue the relationship. <b>DA 8 Ensuring the continuation of a broad and balanced curriculum.</b> A wonderful level of singing, solos, readings and music playing on display.
Actions or Questions Arising: A dummies guide to where to drop off-where to pick up-what to bring and wear-timings etc for the families for future events, especially offsite ones?
