

Governor Monitoring Form

Governor Name: Alex Wotton
Date of Visit: 15 th November 2018
Purpose of Monitoring: to observe the Parent and Child Learning Session
Format of Monitoring: Casual Monitoring
<p>Report of Observations or Discussions:</p> <p>I joined a very full classroom of Parents and children sharing the experience of learning together.</p> <p>It was great to see the children being very keen to demonstrate how they were learning and sharing the experience with their parents/guardians. The atmosphere was vibrant, and the children were clearly really happy to show their reading, comprehension and maths learning with all the adult attendees.</p> <p>I observed some really good reading and comprehension skills from a number of the children sat near me, a good grasp of the maths (Bar Model) challenges, and some mixed levels of writing.</p> <p>It was fantastic to see the children break into spontaneous singing when music was played!</p> <p>The children demonstrated good respect for each other and their teacher, knowing when to quieten down.</p> <p>Overall in the short time I was there I really saw and felt the children enjoying their learning.</p>

<p>Actions or Questions Arising:</p> <p>Did we capture the attendance level of Parents at the sessions over that week, it looked like most children had a Parent or Guardian with them.</p> <p>I strongly suggest that the Parent/Child shared learning activities continue in the future.</p>
<p>Suggestion for future monitoring activity:</p> <p>Repeat casual observation.</p>
<p>Date sent to Headteacher and Clerk:</p> <p>26th November '018</p>
<p>Other comments following presentation at Committee</p> <p>None</p>
