Dear Parents,

It has been a fantastic two weeks of healthy living sports! The children have thrown themselves into activities and learning and have been really prepared to 'have a go' and 'do their best'. We've seen some great performances, used up lots of energy and had enormous fun.

We've been asking the children to share their thoughts with us:

I liked tasting the fruit and veg that keep me healthy - Finlay

The skipping was fun I found it easy to jump - Mia

I enjoyed working in partners in sports week - Shyanne

I've never jumped so much in my life - Jenson

It was amazing. I really enjoyed the dodgeball - Kimi

My favourite part was swimming and the free time in the pool - Ella

I've never had so much fun in my life - Callum

I like learning about how to do American Football - Mia

It was definitely a way to get really energetic - Louisa

I enjoyed the inclusive games - Cooper

Footpool was great - I got to kick the ball - Trace

It was really nice to do a new sport and try something new - Rosie

It was lovely to go in the PPA room and play the Wii Sport - Tilly

It was lovely to also be able to welcome Governors into the school to see what we were doing. They were also impressed!

What a pleasure it was to be shown round the school by Oliver and Alfie last week. I heard first hand from the boys how everyone is enjoying taking part in activities as diverse as swimming, American football, Sport Music and aerobics. I got a sense of whole school involvement, particularly as many of the teachers were taking part and in sports kit themselves! I must make a special mention of the good behaviour that I observed across all year groups. Ms Karen Osbourne

A huge thank you to Mr Good and Mr Knott for arranging the weeks for us and to all the instructors who came in and shared their skills with us.

Everyone back in full uniform next week please and don't forget to bring your PE kits in.

Bruno and Louisa were excellent hosts and are evidently very proud of the school. I look forward to seeing the legacy of the healthy living sports weeks. Mrs Mary Sharpe

I had a very friendly welcome from Ellis and Ella-May. It was a great experience to visit the school and you really can see the positive affect healthy eating and fitness is having on the children's engagement. Miss Kelly Riordan

OH NO ... Mrs Edmondson has been at the school for 25 years and has decided that she wants to retire at Easter next year! I thought I'd let everyone know nice and early so we can all get used to the idea of an office without Mrs Edmondson in it.

Parents Evening

Parents evenings will take place on Tuesday 17th 3.40pm until 6.00pm and Thursday 19th October 3.40pm until 7.00pm. If you haven't made an appointment please contact the office.
