16th November 2018

Dear Parents,

Our school has been filled with parents this week! Around our family learning sessions we have also been busy rehearsing our productions for Christmas and making good use of the mild weather to get outside for PE and sport.

Some of the learning that took place this week was about computing and e-safety.

Year 6 parents and children were surprised to find out the age limits on some of the most popular social media sites, Year 5 learnt about giving information over the internet and even our youngest children learnt how to keep themselves safe.

Two useful internet sites for parents are:

www.nspcc.org.uk

www.thinkuknow.co.uk

If you have any further questions, please don't hesitate to contact us.

There have been a couple of incidents of cars being vandalised while parked on Liberty Rise. Please park considerately and report any incidents to the police.

Chicken Pox

We have many cases of Chicken pox in the school! Children can be sent back when they feel well and when all their spots are crusted over.

Have a good weekend.

PTFA News

Thank you to everyone who donated some old clothes in our 'bags to school appeal'.

Family Week

Thank you to everyone who attended our family learning week. Some of the classrooms were a little crowded but I was delighted with the feedback:

Brilliant. Very worthwhile.

Lovely class atmosphere, thank you.

Very useful

Great fun joining in the class – thank you for having us.

I really enjoy these sessions – more of the same!

A really nice morning.

Thank you – was lovely to see my child happily learning.

Fabulous!
