Dear Parents,

It has been a very cold and blustery week but thankfully, we have escaped the snow this time. After school clubs have started this week and it has been lovely to see so many children getting involved and trying out new activities.

ONGAR RULES!

We are gentle
We are kind and helpful
We listen
We are honest
We learn well
We look after property

Science Days

We have enjoyed two very exciting Science days this week. The children have all enjoyed taking part in a variety of activities and investigations. The 'Hands-on Science' group led workshops for each year group and a special well done must go to Ollie, Amy and Kimi – the winning team in the KS2 Elastic Racers final. Thank you to Mrs Brill and Mr Knott for organising these days.

Snow Policy

Please make yourself familiar with our Snow Policy on the website which deals with what will happen if we have snow or other extreme weather.

Choir trip to G Live

On Wednesday, some of the choir went to the G Live theatre in Guildford to watch a children's concert performed by the Southern Pro Musica orchestra. As well as having the opportunity to see and learn about a range of orchestral instruments and listen to some famous classical music, they were entertained by a very clever magician.

Well done Leo!

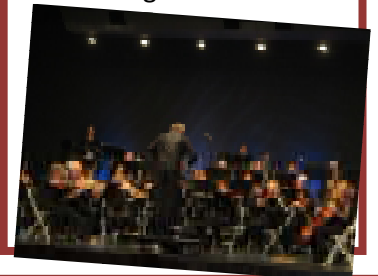

Well done to Leo in Year 2 who has been selected to train with Fulham Elite Football Academy. This is a great achievement for him and we are all very proud of him.
