Dear Parents

Whole school local history trips – Thursday 23rd May 2019

As part of our local history week and celebrations of our school turning 50, we have arranged for every child in the school to visit the place their house is named after. Children in Wisley house will be visiting Wisley Gardens, children in Runnymede will be visiting Runnymede, children in Painshill will be visiting Painshill Park and children in Brooklands will be visiting Brooklands Museum.

During the visits the children will have the opportunity to find out more about the history of the venue and explore and learn more about their local area. The children will be mixing with all the classes from reception to year 6 on their trip and this will be a fantastic time to develop new friendships and learn from each other.

Transport will be by coach leaving from school and returning in time for the end of the school day.

The cost for this trip will be £10.00 per child. Please make payments online and return the permission slip by Friday 3rd May.

I am sure that all pupils will find this a valuable and interesting learning experience.

Yours sincerely
