Spring 2 Week 1

## Our Learning Journey

What a fabulous start to our second half of Spring Term. This is my favourite part of the year as children have settled into the rhythm and expectations of Year 1 and of course the weather is improving.

It has been far too gorgeous to stay indoors so I have taken the opportunity to do more PE outdoors to get children more active and sweaty. In maths, children have been sorting 3D shapes using a Venn Diagram and we have been doing repeated addition. In science, we have observed our tulips and daffodils. Children will be sketching these soon as another cross curricular activity with art.

In English, we have started our next book study of *The Tiger Who Came to Tea* and children have been doing some role-play activities. I am amazed at how well they are acting out their parts and remembering to add dialogue. We have also changed our role-play area into Cedar Café so that children can experience running a business. There will be menus, a till, aprons and money.

## Focus on Learning

During phonics, we are turning our attention to different pronunciations of letters. We have looked at "i", "o" and "g".

Our tricky words are: through, water, where, who, again, work, mouse and thought. These will be pasted in the back of reading record books today.

World Book Day is on Friday the 8<sup>th</sup> March 2019. Children are invited to dress up as their favourite book character on the day. They may also bring in their favourite book from home. Parent readers are welcome to join in the fun. It would be lovely to have you in class on the day.

Thank you all for attending the parent evenings. As always, it is lovely to speak to you about your child's progress.

*thank you*
