

# YEAR 1 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey O1932 842785

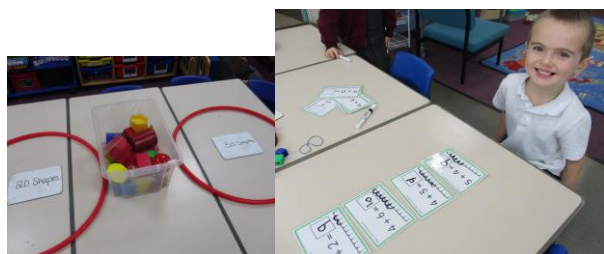

3<sup>rd</sup> November 2017

## Our Learning Journey

Our second half of the Autumn Term has started smoothly and practise has already begun on our Christmas production: A Twinkly Treetop Tale.

The children are reading regularly during class and there is a continual focus on phonics in preparation for our next phase of sounds. We have also been looking at sentences and how we use punctuation marks like full stops and capital letters.

Our ipad maths takes place on Tuesdays and our computing lesson this week focussed on e-safety and the importance of keeping personal details private whilst online. During maths, we have also been looking at number lines and how they can help us to add or subtract.

During literacy, children were working in teams to sequence the stories of The Enormous Turnip and The Three Little Pigs.

## Focus on Learning

We will continue to revisit all our known sounds but we will start our next phase in the programme over the next couple of days. We will practise our handwriting skills and link our English and Maths learning to the story of Cinderella.

In literacy, we will be sequencing the story and writing about the different characters. We will also try to write about the beginning of the story, the middle and the end. In maths, we will be sorting and ordering real pumpkins. We will be looking at time (o'clock only) and children will construct Cinderella's Castle out of 3D wooden block shapes.

We look forward to having parents in class on Wednesday the 8<sup>th</sup> November at 2:15 for our Family Learning Week.

### Star Learner!

Our star learner this week is **Ronnie-Raine** who listened carefully to the instructions of our literacy task. He managed to sequence the story of The Three Little Pigs independently and he wrote a sentence about the beginning of the story.

**Excellent learning Ronnie - well done!**

### REMINDERS

- ✓ Full PE kit permanently in class
- ✓ Family Learning Week commencing on the 6<sup>th</sup> November 2017
