

### Careers Week:

This will take place on week commencing 17<sup>th</sup> June 2019.

If you are a carpenter, plumber, hairdresser, chef, child minder, scientist, author, IT guru, mechanic etc I would really like to hear from you as we are inviting parents in to chat to the children about their work. Please let me know via the Reading Record Book or the office.

### Local History Week:

This will take place on week commencing 20<sup>th</sup> May 2019.

Our plan is to create a display of images from the different decades since 1960 when our school opened. Year 1 have been given the 2010's and I would be most grateful to receive various cut out images of:

- Cars / planes / trains (transport)
- Architecture
- Fashion
- Hairstyles
- Toys and other gadgets
- Celebrities
- Royal Family

**from the 2010's only.** You could simply supply a magazine or newspaper (please no Page 3! My nerves!) and we will do the rest or you can have fun with your child over the Easter holidays and cut out images together and sort them into the above topics. We will then use these to create three large collages for a whole school display in the Hall.

We are also planning a little walk in the local area to see a historical landmark in Addlestone. If you are CRB checked and would like to help us conduct the walk safely, please do let me know via the Reading Record Book or the office.

### Family Learning – “Understanding Children’s Behaviour”:

These sessions are invaluable for parents and Mrs Pirie has organised another great course which is available to you, with biscuits and coffee provided, should you wish to take the opportunity to gain a better understanding of behaviour in children. To find out more, please speak to me or Mrs Reardon in the school office.
