

YEAR 1 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

5th April 2019
Spring 2 Week 6

Our Learning Journey

Gosh this term has flown by and I cannot believe the progress children have made. They have planned and written their own story with a beginning, middle and end, their handwriting has improved tremendously and the phonics assessments show positive growth.

We have completed our whole class reading book "Charlie and the Chocolate Factory" which I have come to realise is their favourite part of the day. I am amazed at how well they sit and listen. I am dying to read "The Witches" in Summer Term but I think I had better settle for "Matilda" as their imaginations run wild!

Their learning behaviour as a whole class deserves recognition so I have planned a little "end of term" party and a movie. The PTFA also held an Easter event on Thursday for the children.

Focus on Learning

During phonics, we are moving on to the alternative spellings of writing a sound.

In History, we will be learning about Neil Armstrong and then we will be moving onto animals in science as we have an exciting visit on the 7th May 2019 planned for the children. A letter has been placed in book bags.

We are also planning a local History week in school and the children will be involved in many activities. Please **look on reverse side** of this letter for more details.

Our school Council have noticed that there are far too many single use plastic bottles in school. As we know, this is not good for our environment and they are asking parents to please purchase a suitable refillable bottle for school use. Cheaper option too.

Star learner

Harry for writing a really good story called The Slimy Slug Who Came for Supper.
Well Done Harry!

REMINDERS

- ✓ Full PE kit should be permanently in class for multi-skills session (bat and ball skills/skipping)
- ✓ All children to have a water bottle every day
- ✓ Swimming to commence in Summer Term - 2nd week
- ✓ UK Zoo Lab visit on the 7th May 2019 - here in school
- ✓ Family Learning - Understanding Children's Behaviour Tuesday 11th June - 9th July 2019

Many thanks,
Mrs Marwick
