

YEAR 1 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

6th July 2018

Our Learning Journey

The children have enjoyed three days in their new Year 2 classroom with Mrs Pirie and Mrs Masey. They all seem excited at the prospect of moving on and leaving me behind! We have had numerous discussions about the excitement of change and how their next adventure awaits!

We are loving this hot weather and have enjoyed sitting under the Ongar Tree, sharing stories and playing games. Any bet it starts to pour down on the 20th July!

During science, we have been planting many different seeds. We are keeping a diary to see how the seeds change and we will be looking at the different parts of the plant.

During English, children have been playing with our double decker bus in the outside area. We have started writing our adapted story about a toy's adventures in our classroom!

Focus Learning

We will continue our phonics learning and we will do a lot of reading together. We will also focus on outdoor games during PE.

During our geography lessons, we are using Googlemaps to help us view the local area of Addlestone. Children are looking at natural and manmade features. For home learning, I have asked for children to look at the map of RHS Wisley Gardens online. They may need assistance with this task and perhaps you could discuss the layout of the site, how and why we use a map.

Star Learner!

Blake for his mature, optimistic approach to his next adventure in Year 2!

REMINDERS

- ✓ RHS Wisley Trip on the 17th July 2018
- ✓ Water bottles, sun cream and hats please
- ✓ Parent helpers for swimming on Thursday mornings
- ✓ Summer Art Exhibition - 2nd July 2018 at Hebrews Café, St Paul's Church and Bourne Valley Garden Centre. Please pop in and view some lovely artwork
