

YEAR 1 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

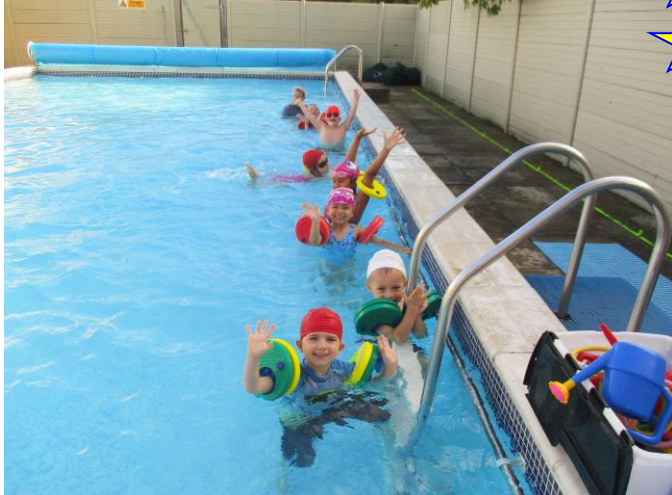

6th October 2017

Our Learning Journey

We have experienced a fabulous sporting week which has included indoor games, swimming, inclusive games, dance and sports music. The children also had opportunities to play table tennis, darts, Wii sport and ipad games. We have managed to include some running games in our phonics lessons and we have made comparisons between manouvering our bodies around cones with and without blindfolds.

The children are reading regularly during class and we continue to enjoy books by Julia Donaldson but we have also read Giraffes Can't Dance by Giles Andreas.

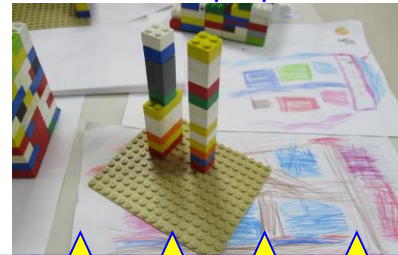

During English, we looked into three different sports bags and found various pieces of equipment to write about. The children were encouraged to compose their own sentences during circle time before writing.

Focus on Learning

We will be taking part in another fun week of various sporting events and we will attempt to complete our houses made out of recycled materials. Please may we have some more boxes of various sizes for our projects.

During English, we will continue to compose sentences orally before writing them. We will be taking a look inside a magic box to discover different everyday materials.

Star Learner!

The Star Learner this week is **Theo** who looked in the rugby sports bag and composed a sentence orally during circle time. He was then able to independently write a sentence in his book using a capital at the start and remembered to use spaces between the words.

Amazing progress Theo!

REMINDERS

- ✓ Swimming kit to be in on Thursdays.
- ✓ Full PE kit permanently in class
- ✓ Full week of sporting activities - children to please arrive in their PE kit for the day.

Many thanks,
Mrs Marwick
