

# YEAR 1 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

7<sup>th</sup> June 2019  
Summer 2 Week 1

## Our Learning Journey

Our final stretch of Year 1 is upon us and we still have so much to achieve. This week, we have started sewing our felt leaves for a whole school display and we are practising our Year 1 Assembly.

We have been very creative together by making our props for our Assembly and we are thinking of various dance moves for our final song. We have also started to compare the Bible and the Torah in RE. Children have brought in their special books from home and presented them to the class.

## Focus on Learning

During phonics, we are still looking at texts together and identifying the different sounds. We are thinking of all the different ways we can write the same sound. We will continue to practise writing our tricky words such as: because, said, what, people and put.

Careers Week starts on the 17<sup>th</sup> June 2019. If you would like to come in and talk to the children about the work you do, please let me know. We would be thrilled to have you here!

## Star learner

**Mia** for her fabulous maths learning. Mia is able to tell the time to o'clock independently and draw a clock face. Well done **Mia**.

## REMINDERS
