

YEAR 1 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

7th December 2018
Autumn 2 Week 6

Our Learning Journey

In English, we have written wonderful descriptions of our Gingerbread Man, using many adjectives. We have also included the connective "and" to extend our sentences. Yesterday he escaped from class and ran off! Today, the children received letters from him and used the clues to find him in a heap of crumbs in our outdoor area!

In Maths, we have been talking a lot about the mathematical signs + and - . We have used different vocabulary like more, less, add, minus and take away. We continue to practise our counting up and down the numberline in ones.

We also had a wonderful nativity performance.

Focus on Learning

We will begin Phase 4 of our phonics programme and we will continue to practise our handwriting.

We will do a science experiment involving mixing primary colours. Children will make predictions and record their findings. We will also try to complete an art installation for our cloakroom to complement our learning during science.

Star Learners!

The whole of Cedar Class for their amazing performance of A King is Born

REMINDERS

- ✓ Full PE kit permanently in class for dance
- ✓ All children to have a water bottle every day
- ✓ Trip to the Panto is on Friday the 14th December 2018
- ✓ Christmas dinner and jumper day is on the 18th December 2018

Many thanks,
Mrs Marwick
