

# YEAR 1 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

8<sup>th</sup> December 2017

## Our Learning Journey

We have had another very exciting week because we discovered that the Gingerbread man had actually run away!! He left letters all around the school for us to find him but we just couldn't catch him. Eventually we discovered some crumbs in our courtyard and a note from Mr Fox!!

## Focus on Learning

We will revisit our common exception words especially "where" and "were". I have started reading the Paddington Bear stories and will incorporate some other Christmas favourites. We will also try to make salt dough decorations for their christmas trees to take home.

Our geography and art lessons are fully underway and we will be using the last week of term to immerse ourselves in these great subjects! We will hopefully be looking at the work of Kandinsky and producing a collaborative mural for our cloakroom to replace our Autumn mosaic. Watch this space...

### Star Learner!

Our star learners this week are:

**CEDAR CLASS**

We are all incredibly proud of the children's nativity performance.

### REMINDERS

- ✓ Please may I ask all parents to ensure that children have their **water bottles** in class every day
- ✓ Panto is on the 13<sup>th</sup> December 2017
- ✓ Christmas dinner is on the 12<sup>th</sup> December 2017
- ✓ Break up day is on the 15<sup>th</sup> December at 1:30 pm

Many thanks,  
Mrs Marwick
