

YEAR 1 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

9th September 2016

Welcome to Year 1! All the children have settled in very well this week and have been a delight to teach. They have been busy getting to know their new classroom; learning where things are located and new routines!

Our Learning Journey

We've really enjoyed getting to know the classroom and have practiced our Maths and English whilst playing games, without even realising! Mrs MacCormack has been very impressed with our independent focus and how we choose to practice our learning in our own free time.

In English we have been learning our new story, Hansel and Gretel. We realise the story is quite scary, but we love the Gingerbread house so we are making our own. Watch this space and we'll share a photo when it's finished. This is what we're aiming for...!

We have been thinking about our new value: Peace. We have discussed what peace means to us. We feel most at peace when we are cosying up on the sofa, cuddling our mummies, daddies, or teddies and when we are doing things we enjoy! Here's us getting crafty sharing our thoughts for our new display...

Meet our new class creature... Bluey. He will go home with one child each week and come in and share his exciting antics the following Monday. You can choose if you want to take photos, write or draw what he's been up to in his diary...!

Star learner this week is...

Sophia!

Sophia has shown a great love for learning this week. She has undertaken all her learning listening well and with a smile on her face. Her enthusiasm is catching and she has been a pleasure to have in the class!

Well done Sophia!

Reminders to Families

Please ensure all labels are clearly written on clothes

Special box: This is a box where your child can choose 3 items that are special to them. The items can be anything and do not need to relate to learning, although that is always a bonus! The box goes home daily and must be returned.

*Many thanks,
Mrs MacCormack*
