

YEAR 1 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

10th May 2019
Summer 1 Week 3

Our Learning Journey

This week has been so exciting because it started with a visit from UKZoo Lab who brought in many different animals such as rats, stick insects, a corn snake and an African land snail. In this workshop, the children were discussing the various classifications of animals and they thoroughly enjoyed their morning. There are more photo's on our website.

Then, swimming commenced on Wednesday and it was wonderful to see children enjoying the opportunities on offer in our school.

The children have also written up their stories neatly and there is a display of STAR WRITERS in class if you wish to take a look. I am very proud of them all.

Focus on Learning

During phonics, we will be looking at texts together and identifying the different sounds. We are thinking of all the different ways we can write the same sound.

During the evening reading with your child, please focus on comprehension. Do they understand what they are actually reading about? Ask questions. Look at the meaning of various words. Can they use the words correctly in context? Have fun looking at the pictures and talking about what can be seen, making inferences and using expression.

Star learner

Lara who has settled in well and gained a quick understanding of our class rules and learning behaviours. Welcome **Lara**.

REMINDERS

- ✓ Full PE kit permanently in class for multi-skills session (bat and ball skills/skipping)
- ✓ All children to have a water bottle every day
- ✓ Swimming to take place on Wednesday mornings
- ✓ Local history walk - 21st May 2019 @ 1.30 pm

Many thanks,
Mrs Marwick
