

# YEAR 1 WEEKLY LEARNING

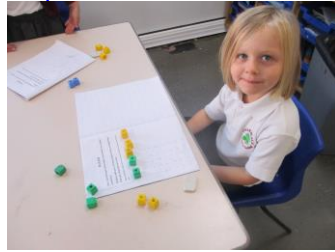

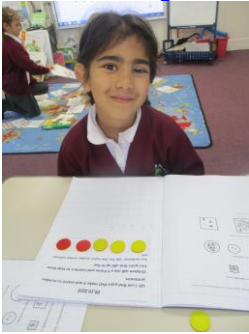

Ongar Place Primary School, Addlestone, Surrey 01932 842785

12<sup>th</sup> October 2018

## Our Learning Journey

In phonics, we have been learning the sounds: oo, ar and or. Our tricky words this week are "no and go".

In maths, we have been doing very simple addition and subtraction calculations using a five frame with counters and coloured cubes with a focus on number formation, signs and vocabulary.

In science, we read a non-fiction book called "Signs of Autumn" and we went on another nature walk around the school grounds. We used our senses to record what we can hear, see, smell and feel.

We also attended a very fun and engaging STEM assembly and learnt all about air.

## Focus on Learning

Our phonics lessons this week will focus on sounds ur, ow and oi. Phonics is progressing at an incredible pace and the children are responding well. I will start to include some poems in the reading record books which are great to use for sound spotting.

Our paired reading continues each afternoon so please support your child to return their reading record book each day. There are also some tricky words at the back of the books for children to practise reading and writing.

In Maths, we will be extending our addition and subtraction to within 20. Children will be supported initially with many different manipulatives and we will start to look at shapes.

## Star Learner!

**SADIE** is managing to listen carefully to instructions, she will put her hand up and wait to speak and she has shown an amazing amount of perseverance in her written learning. Well done Sadie!!

## REMINDERS

- ✓ Full PE kit permanently in class for dance
- ✓ Please could we have some cereal boxes/shoe boxes for our house building.
- ✓ All children to have a water bottle every day
- ✓ Parent evenings are on the 16<sup>th</sup> and 18<sup>th</sup> October 2018 - please sign up for a time slot
