

# YEAR 1 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey O1932 842785

14<sup>th</sup> June 2019  
Summer 2 Week 2

## Our Learning Journey

This week has flown by with so many important activities taking place in school. We have been practising our Year 1 Assembly and preparing all the props for the show. Children are learning their lines and they are singing their hearts out!

We have also had the Phonics Screening Test this week and the children have done really well. We will continue to read as much as possible right up to the last day of school, so please keep listening to your child read each night. Ask them questions about the text and explain the meaning of words.

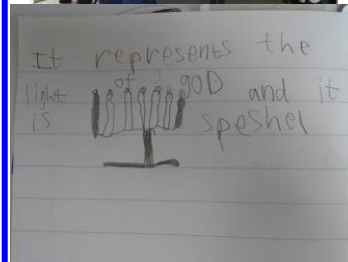

In RE, children have been talking about the Torah and they have made their own scrolls. We have looked at several artefacts and children have sketched a Menorah.

Children have also enjoyed swimming again this week.

## Focus on Learning

We will continue to read daily as I am using this time to listen to children individually so that I may assess correctly. Please ensure Reading Record Books are in class each day. Thank you.

## Star learner

**Sadie** for her progress made in writing a perfect sentence independently. Well done **Sadie**.
