

YEAR 1 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

15th September 2017

Our Learning Journey

We have had a busy week writing our healthy food list for a picnic basket and we have been counting up to 20 in maths. We have started swimming, practising our songs for the Harvest Assembly and we have visited the school library.

The children watched "Ormie the Pig" trying to reach some cookies on top of the fridge and were asked: "What does perseverance mean to you?":

Isaac - "people that keep on trying"

Sofia G - "people keep on trying and concentrate"

Sienna - "people keep trying until they get better and better"

Mia - "Keep on trying and trying until you get it right"

Focus on Learning

We will continue to revisit all our sounds and continue to practise our handwriting skills. We will be reading "The Three Little Pigs" and labelling different features of a house. In Maths, we will begin to read and write number names and form numerals correctly up to 20.

If you have any empty cereal boxes or shoe boxes, we would be most grateful to take these off you for our house modelling.

Star Learner!

The Star Learner this week is **Emily!** Emily has remembered her sounds and written beautifully on her whiteboard.

Keep up the excellent learning Emily!

REMINDERS

- ✓ Swimming kit to be in on Thursdays.
- Thank you again to the parent helpers - very much appreciated
- ✓ Full PE kit permanently in class
- ✓ PE is on Monday and Friday

Many thanks,
Mrs Marwick
