

# YEAR 1 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

16<sup>th</sup> March 2018

## Our Learning Journey

What a fabulous week we have had! We started with discovering some water in our rain gauges so we are grateful for "the pest from the west" and our Mrs Slater brought in some Darkling Beetles for us to investigate using a magnifying glass. Children have begun role-playing their adapted stories of The Tiger Who Came to Tea. We have had some wonderful alliteration in our titles so far:

The Bear who came for Breakfast - Tyler  
The Pig who came for Pudding - Mia  
The Chipmunk who came for Chocolate - Blake

During maths, we have discovered different coins and paper money and we have been exploring the value of each. We have found out some interesting facts about the new five and ten pound notes. In RE the children made hot cross buns and wrote a list of all the things needed to make our Easter garden in class.

## Focus on Learning

Our phonics continues each day and we have been looking at grammar like the suffix "ing" and "ed".

In English, we will start writing the beginning of our adapted stories and during maths, we will continue with money by linking into The Tiger Who Came to Tea. There will be a focus on computing next week as we are looking at algorithms.

## Star Learner!

**Tommy** for his list of ingredients and writing the method of making hot cross buns. **Well done Tommy!**

## REMINDERS

- ✓ Please could all children have warm PE kit in school such as tracksuit pants and a warm fleece jumper
- ✓ For Art, I would like to do some fabric dying with the children to combine our learning in several subjects. Please may I request that each child bring in an old, unwanted cotton pillow case. This will be dyed in either red, blue or yellow so please ensure that it is not a treasured heirloom that once belonged to Granny!

Many thanks,  
Mrs Marwick
